

## **Inclement Weather Policy**

When weather is bad but roads are passable, collection will occur as scheduled, but residents are encouraged to hold materials until the following week if possible, in order to minimize the number of roadside obstacles that may interfere with plowing.

### **Severe Snow Storm**

In the event of a severe snow storm/snow emergency, where roads are not drive able and Waste Solutions is unable to travel, collection will be cancelled that day and trash and recycling will be collected on the following day.

Should there be a delay in collection, it will be indicated on a voicemail recording @781-536-2525. Collection days are also typically posted under Trash and Recycling on the Town/s Website.
